Withdrawals	No fee	No fee	Full Y1 tuition fee payable
Course/Level Changes	No fee	No fee	Minimum switch fee of \$420* (Note 1)

## Key points

- Fees apply per enrolment and per course.
- Where dates apply (eg to withdrawals), Pamoja must be informed in writing by the deadline. Verbal communication is not adequate – a written record must be available.

### Note 1 (Course and level changes from 9 Mar 2022)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the change is approved, then a minimum switch fee of \$420 will apply (it will be more if additional teaching support is required). There is just one tuition fee (we don't charge tuition fees for both courses).
- No fee will be charged if the change is not approved.
- If the Pamoja Academic Team initiates a level change, then no switch fee will apply.

## **Note 2 (Late Starters and Transfer students from 9 Mar 2022)**

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the transfer is approved, then a minimum transfer fee of \$420 will apply (it will be more if additional teaching support is required) in addition to the full tuition fee.
- No fee will be charged if the transfer is not approved.
- If a transfer withdraws at any stage after enrolment then the full tuition fee and the full transfer fee both remain payable.

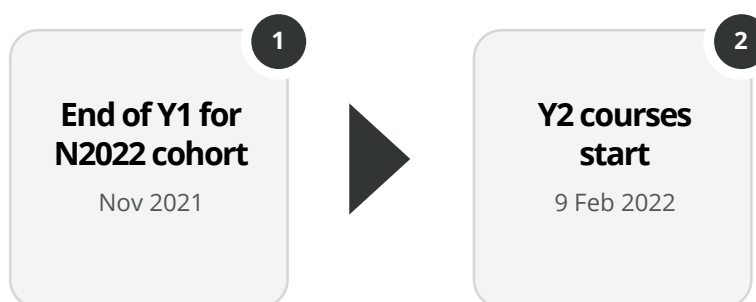

## **Note 3 (SBC orientation)**

The Site-based Coordinator (SBC) orientation is a free short self-paced orientation course designed to familiarise SBCs with the navigation of our Pamoja Online Courses platform, as well as the main concepts and online tools that they will need to utilise in order to best support students in their online course.

There is a strong correlation between successful students and SBCs who have completed their training. It is therefore a contractual requirement that all SBCs complete their training.

- It is the IB World School's Diploma Programme Coordinator's responsibility to register Pamoja Online Courses Year two students as online candidates on the International Baccalaureate's system IBIS ahead of the November examinations, or inform us in writing that the student will not be registered at all on IBIS since not sitting the final examinations.
- Failure to successfully register students as online candidates on IBIS results in significant additional work for Pamoja, and ultimately can result in the candidate not completing their IB DP.

## Special considerations

### Pamoja students moving schools

If a Pamoja student moves to another IB World School during the academic year, the new school will not be charged unless the original school has not paid. Overall there will only be one tuition fee.

### Medical exceptions

In the case where a student has had to leave their online course due to medical conditions, the fee charged can be reviewed and if specific criteria met, can be partially refunded. Approval required from the Pamoja Senior Management team.

### Extended Essay
