Pamoja Online Courses access to Hodder Education Student Textbooks

July 2020

Hodder Education Student eTextbooks

Pamoja's new online Cambridge IGCSE™ and International AS and A Level courses will include access to Hodder Education's Student eTextbooks. Please read the following information to ensure that your students will be able to access the eTextbooks on the Hodder Dynamic Learning platform.

How are the Student eTextbooks used?

Students access their eTextbook directly from Dynamic Learning. Access to Dynamic Learning will be set up by our School Services Team once students are enrolled on a course.

Each lesson in the course directs students to a particular section of reading that they need to do before attempting any of the practice activities or assignments. Students are given clear instruction in the Pamoja learning platform on how to locate the correct part of the eTextbook.

Many of the eTextbooks also contain additional resources such as quizzes and worksheets. These may also be referenced in the Pamoja lessons. Students can annotate their books; adding text notes, highlights, weblinks and voice notes. The eTextbooks are fully searchable and pages can be bookmarked.

Which Student eTextbooks will be used?

Course	Hodder Education Student eTextbooks Year 1	Hodder Education Student eTextbooks Year 2
IB Economics SL/HL	Economics for the IB Diploma Student eTextbook	
Cambridge IGCSE Biology (0616)	IGCSE Biology 3rd Edition Student eTextbook
