Note 3 (Late Starters and Transfer Students)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the transfer is approved, then a minimum transfer fee of \$460 will apply (it will be more if additional teaching support is required) in addition to the full tuition fee.
- No fee will be charged if the transfer is not approved.
- If a transfer student withdraws at any stage after enrolment then the full tuition fee
- and the full transfer fee both remain payable.

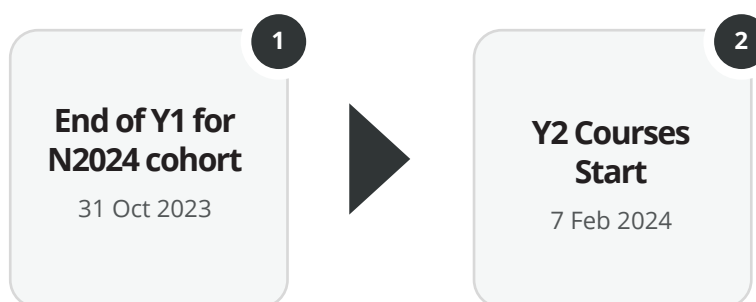

Note 4 (SBC Orientation)

The Site-based Coordinator (SBC) Orientation is a free short self-paced orientation course designed to familiarise SBCs with the navigation of our Pamoja Online Courses platform, as well as the main concepts and online tools that they will need to utilise in order to best support students in their online course.

There is a strong correlation between successful students and SBCs who have completed their training. It is therefore a contractual requirement that all SBCs complete their training.

Key points

- Fees apply per enrolment and per course.
- Where dates apply (eg to withdrawals), Pamoja must be informed in writing by the deadline. Verbal communication is not adequate – a written record must be available.

Note 1 (Y2 course withdrawals)

- Any withdrawal made prior to 31 Oct 2023 is treated as a Y1 withdrawal (no refund of Y1 tuition fee, no Y2 tuition fee).
- Provided Pamoja are informed in writing before the end of 6 February 2024 that the student will not be returning for Y2, then no Y2 tuition fee is due per enrolment.
- If a student withdraws after 7 February 2024 Y2 course start date, then the full Y2 tuition fee is payable per enrolment.

Note 2 (Course and level changes)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the change is approved, then a minimum switch fee of \$460 will apply (it will be more if additional teaching support is required). There is just one Y2 tuition fee (we don't charge tuition fees for both courses).
- No fee will be charged if the change is not approved.
- If the Pamoja Academic Team initiates a level change, then no switch fee will apply.
- If the change is to a course with a higher tuition fee, the tuition fee difference will be charged.
- If the change is to a course with a lower tuition fee, the tuition fee difference will not be refunded.

Note 3 (Transfer Students)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the transfer is approved, then a minimum transfer fee of \$460 will apply (it will be more if additional teaching support is required) in addition to the full Y2 tuition fee.
- If the transfer student withdraws at any time after access to course content the full tuition and transfer fees will still apply.

Note 4 (IBIS registration)

- It is the IB World School's Diploma Programme Coordinator's responsibility to register Pamoja Online Courses Y2 students as online candidates on the International Baccalaureate's system IBIS ahead of the November examinations, or inform us in writing that the student will not be registered at all on IBIS since not sitting the final examinations.
- Failure to successfully register students as online candidates on IBIS results in significant additional work for Pamoja, and ultimately can result in the candidate not completing their IB DP.

Special considerations

Pamoja students moving schools

If a Pamoja student moves to another IB World School during the academic year, the new school will not be charged unless the original school has not paid. Overall there will only be one tuition fee.

Medical exceptions

In the case where a student has had to leave their online course due to medical conditions, the fee charged can be reviewed and if specific criteria met, can be partially refunded. Approval required from the Pamoja Senior Management team.

Extended Essay

Please refer to the quote provided by your Business Development Consultant to find out the total amount of Pamoja Online Courses Extended Essay fees your school will be charged.

The Pamoja Online Courses Extended Essay (EE) fee is chargeable from enrolment and non-refundable.

The student must be taking a Pamoja Online Courses course with us to be eligible for Pamoja Online Courses Extended Essay.

The Extended Essay must be in a subject where we offer a Pamoja Online Courses course (but the student doesn't have to be taking that course with us, so, for example, a student taking Pamoja Online Course Mathematics: Analysis and Approaches HL could do an Extended Essay in Psychology). Subject to approval by the Pamoja Academic team.

An additional Extended Essay fee will be charged in case of a change of Pamoja Online Courses EE subject.

We reserve the right not to accept EE requests where we do not have teacher capacity.
