Key points

- Fees apply per enrolment and course.
- Where dates apply (eg withdrawals), Pamoja must be informed in writing by the deadline. Verbal communication is not adequate – a written record must be available.

Note 1 (Withdrawals)

- Year 1 students withdrawn up to 3 September 2024 will not be charged.
- Year 1 students withdrawn between the 4 September 2024 course start date and the 1 Oct 2024 drop date will be charged a \$483* admissions fee.
- Year 1 students withdrawn from 2 Oct 2024 until the end of Year 1 will be charged the full Year 1 tuition fees.

Note 2 (Course and Level Changes from 2 Oct 2024)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the change is approved, then a minimum switch fee of \$483* will apply (it will be more if additional teaching support is required). There is just one tuition fee (we don't charge tuition fees for both courses).
- No fee will be charged if the change is not approved.
- If the Pamoja Academic team initiates a level change, then no switch fee will apply.

Pamoja Admissions Timeline and Fees dated March 2024 for 2024/2025 academic year (May session)

- 
- If the change is to a course with a higher tuition fee, the tuition fee difference will be charged.
 - If the change is to a course with a lower tuition fee, the tuition fee difference will not be refunded.

Note 3 (Late Starters and Y1 Transfer Students)

- Request requires a transfer review. The review will consider what catch-up work is required to be performed by the student, whether this is achievable and what additional teaching support is required.
- If the transfer is approved, then a minimum transfer fee of \$483* will apply (it will be more if additional teaching support is required) in addition to the full tuition fee.
- No fee will be charged if the transfer is not approved.
- If a transfer student withdraws at any stage after enrolment then the full tuition fee and the full transfer fee remains payable.

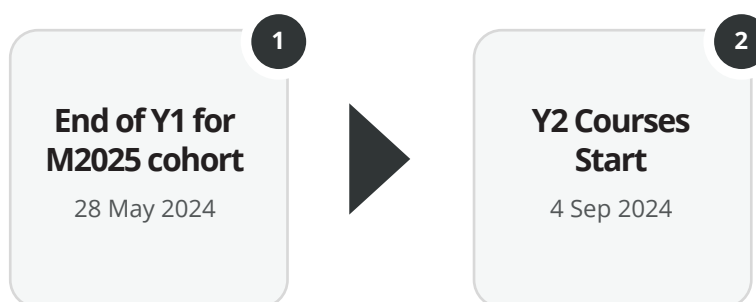

Note 4 (SBC Orientation)

The Site-based Coordinator (SBC) Orientation is a free short self-paced orientation course designed to familiarise SBCs with the navigation of our Pamoja Online Courses platform, as well as the main concepts and online tools that they will need to utilise to best support students in their online course.

There is a strong correlation between successful students and SBCs who have completed their training. It is therefore a contractual requirement that all SBCs complete their training.

Note 4 (IBIS registration)

- It is the IB World School's Diploma Programme Coordinator's responsibility to register Y2 Pamoja Online Courses students as online candidates on the International Baccalaureate system IBIS ahead of the May examinations, or inform us in writing that the student will not be registered at all on IBIS since they are not sitting the final examinations.
- Failure to successfully register students as online candidates on IBIS results in significant additional work for Pamoja, and ultimately can result in the candidate not completing their IB DP.

Special considerations

Pamoja students moving schools

If a Pamoja student moves to another IB World School during the academic year, the new school will not be charged unless the original school has not paid. Overall there will only be one tuition fee.

Medical exceptions

In the case where a student has had to leave their Pamoja Online Course due to medical conditions, the fee charged can be reviewed and if specific criteria met, can be partially refunded. Approval required from the Pamoja Senior Management team.

Extended Essay

Please refer to the quote provided by your Business Development Consultant to find out the total amount of Pamoja Online Courses Extended Essay fees your school will be charged.

The Pamoja Online Courses Extended Essay (EE) fee is chargeable from enrolment and non-refundable.

The student must be taking a Pamoja Online Courses course with us to be eligible for Pamoja Online Courses Extended Essay.

The Extended Essay must be in a subject where we offer a Pamoja Online Courses course (but the student does not have to be taking that course with us, so, for example, a student taking Pamoja Online Course Mathematics: Analysis and Approaches HL could do an Extended Essay in Psychology). Subject to approval by the Pamoja Academic team.

An additional Extended Essay fee will be charged in case of a change of Pamoja Online Courses EE subject.

We reserve the right not to accept EE requests where we do not have teacher capacity.
